The O'Berry Center Foundation Golf Tournament is held annually to raise funds to support the Foundation's programs. The Foundation improves the quality of life for persons with developmental disabilities at O'Berry Neuro Medical Treatment Center and in the 67 NC counties it serves through family support, community services, quality of life initiatives, education and scholarships.

A Letter from a Family Who Received our Family Support Funds.....

Please convey our sincerest thanks to all the members of the O'Berry Center Foundation for the funds to purchase the bike trailer we needed for Martha to join her family on our precious family outings. The trailer has arrived, been assembled, and already been put to good use out on our local greenway around the lake. One of the neatest things is that I can hear Martha laughing as the wind brushes her face as she sees other people go by while she's riding in the trailer. She truly enjoys it, as do all of us. Again, we thank the Foundation for recognizing how much we wanted to "include" Martha, and for MAKING IT HAPPEN!
