October 30, 2019

Dear Family Members, Friends, and Retirees,

Our 15th annual “*Shining a Light for Our Loved Ones*” is fast approaching. We are very excited about this wonderful time of year when we can join together to show our support for the O’Berry Center Foundation. Each year the Foundation has sold luminaries with a goal of lighting the road around the Center in memory or in honor of someone special in our lives. This year our goal is to again illuminate the road around the center and the park walkways. We are getting an early start this year in hopes that you will share this great event with your family, friends, Churches and organizations and it will be our largest luminary event yet! It is heartwarming as the luminaries shine brightly for everyone to see.

We want everyone to be a part of lighting this campus so that every person who rides by will see the lights shine for our loved ones and for the residents we serve. By purchasing a luminary, you can honor a loved one or remember a loved one in such a special way this Christmas. The cost of a luminary will be **five dollars** and any additional donations are greatly appreciated. Monies will be used by the Foundation to continue supporting scholarships, family support grants across North Carolina, and enriching the lives of those who reside at the O’Berry Neuro Medical Treatment Center. As always, your continuous support is appreciated and valued. Please help us to make this Christmas very special for all of our loved ones and add a special glow to the Center for the residents who live here.

Please complete the enclosed form and return to OBCF. **Please print all names listed on the form.** All orders must be received by December 11, 2019 as the Boy Scouts from Troop 258 will light the luminaries on Friday, December 13th, 2019 at 5:30 P.M. Thank you for your continuous support and friendship.

Warmest regards,

Michelle Tucker
